

Kindness Is Magical

Dearest kind Earthie friend,

Wowie woopy wings, you've been shining like a Glowy hero for Kindness! I know you've been doing kind things for other. Will you please download the kindness ticket pages on this website and I'll be ready to count up those kindnesses that you do to make the Earth Glow!

When you make a HABIT of being kind, it's very grown up! You'll be a kind adult too, when you grow up and become whatever it is that you're dreaming of.

When we were eating lunch at the Moodee Foodee Cafe, I told my friends, "Someone did a kindness for me today! Fleur brought me breakfast with a vase of roses!" Twinkle told me, "It's fairy magical to do a kindness because you see someone's face turn into a happy smile!" I gave Fleur a Kindness Ribbon to thank her for being so kind to me.

Did you know you can even do fairy magic on Earth today? Go do a kindness surprise like one of our Earthie girls, Emily, did today. Just like magic, she saw her mom and dad's faces light up with a happy smile when she brought them breakfast in bed! What would make your mom and dad smile? What kindness would make you smile? Talk with your family about the kindness magic you can do together!

With oodles of love from
Your Real Tooth Fairy friend,

Swendolyn
